Commission on Human Rights
Forty-eighth Session
Agenda Item 12

Question of East Timor

The Commission on Human Rights

Mindful of the principles and purposes of the Charter,

Mindful of the principles enshrined in the Universal Declaration of Human Rights,

Recalling Article 1 of the International Covenant on Economic, Social and Cultural Rights as well as Article 1 of the International Covenant on Civil and Political Rights,

Bearing in mind General Assembly Resolution 37/30 of 23 November 1982 and Security Council Resolutions 384(1975) of December 22 1975 and 389(1976) of 22 April 1976 on the question of East Timor,

Mindful of the mandate entrusted to the Secretary-General by General Assembly Resolution 37/30,

Having considered the report of the Special Rapporteur on Torture on his visit to Indonesia and East Timor in Doc. E/CN.4/1992/17/Add.1,

Taking note of the evaluation, conclusions and recommendations contained in Chap.1V of the report of the Special Rapporteur on Torture,

Deeply shocked by the massacre of unarmed civilians on 12 November 1991 in Dili, capital of East Timor, a non-self-governing territory annexed and occupied by Indonesia since 1975,

Deeply troubled by continuing and persistent reports of human rights abuses in the territory,

Deeply shocked by the callous statements made by Indonesian Armed Forces Chief General Try Sutrisno, who in the aftermath of the 12 November 1991 massacre claimed that troops were justified in "wiping out" dissidents,

1. Condemns the massacre of unarmed civilians in East Timor on 12 November 1991 by members of the Indonesian armed forces;

2. Expresses its deepest concern at the reports of continuing and persistent human rights violations in East Timor;

3. Commends the Special Rapporteur on Torture for his Report on his visit to East Timor;

4. Welcomes the forthcoming visit of the Special Representative of the Secretary-General to Indonesia and East Timor;

5. Calls upon the Indonesian authorities to cooperate fully with the Special Representative during his visit and to guarantee the physical integrity and well-being of those who cooperate with the Special Representative;

6. Urges the Government of Indonesia to initiate measures aimed at identifying and bringing to justice those responsible for the massacre of unarmed civilians on 12 November 1991 in Dili and for acts of torture, disappearances, murders and extra-legal executions;

7. Further urges the Government of Indonesia to intensify its efforts to ensure that all its authorities and security forces fully respect the human rights and fundamental freedom of the people of East Timor;

8. Appoints a Special Rapporteur to monitor the implementation by the Indonesian authorities of the recommendations by the Special Rapporteur on Torture and of the Special Representative of the Secretary-General;

9. Requests the Special Rapporteur to present at its 49th Session a report on the measures taken by the Indonesian authorities and on any new information received from any reliable source;

10. Requests the Special Rapporteur to present an interim report to the General Assembly at its 47th Session;

11. Decides to examine the report at its 49th session under agenda item 12 of the provisional agenda.
